A full NGO website, with the CRM built in.

WPOS.AI/CASES

A full NGO website, with a CRM built for how they actually work.

We Make a Difference is a youth led humanitarian movement. WPOS built them a complete WordPress site and a tailored CRM through conversation.

436 credits | 79 widgets | Custom CRM

All in one WordPress install.

What WPOS built through conversation

- One-time and monthly donations
- Field cases verified before aid is approved
- Volunteers, interns and chapter leads managed
- 79 custom widgets, no separate CRM product

Where does your clients' CRM live?

A. A separate SaaS tool

B. Inside WordPress

C. A spreadsheet

D. What CRM?

Tell us in the comments. Pick a letter.
