A working site, rebuilt from scratch. Every fact had to stay.

SPOT THE INVENTED FACT 2/3

One thing on the new site was invented. Which one?

A. A flat rate

B. A customer review

C. The star rating

Pick one before you swipe.

Answer →

SPOT THE INVENTED FACT 3/3

The star rating. WPOS caught it and took it back.

What it kept, word for word

- 3 flat rates, original disclaimer intact
- All 5 customer reviews
- The licence, hours and contact details
- The invented rating: flagged in its own report and replaced
