

A care home needs a website. How long would you quote?

WPOS.AI/CASES

A complete care home website, admissions funnel
and all, built in one session.

Harmony House is a family owned residential care home in Henderson, Nevada. WPOS built their full WordPress site, including the admissions funnel and tour booking, through conversation.

Henderson, Nevada Senior care Tour booking and referrals

The scope.

- ▶ What the site needs

- ▢ Homepage and care philosophy

- ▢ Service pages: daily living, medication, activities, meals, respite care

- ▢ A five-step admissions process and a documents checklist

- ▢ Rates and fees, plus Schedule a Tour and Make a Referral everywhere

Your quote?

A. 2 weeks

B. 4 to 6 weeks

C. 2 to 3 months

Comment your letter first.

WPOS built it in one working session.
