

One small change
on a client site.

wp-admin.
The page builder.
The hosting panel.
Analytics.
The client's email.
Slack.

Six tabs, and the change is still not live.

Or one panel,
inside wp-admin.

How many tabs did your last "small change" take?

A. 1 to 3

B. 4 to 7

C. 8 or more

D. I stopped counting

Tell us in the comments. Screenshot your tab bar if you dare.
