

This week on WPOS,
in five questions.

Guess the plugins.
Rate the homepage.
Count your tabs.
Price your care plan.
Count your sites.

Monday: how many plugins? Two.

GUESS THE PLUGINS

1/3

A booking wizard, a live price calculator and a before/after slider.

DEMO BUILD FOR A REAL BUSINESS

— THE DIFFERENCE

The same room. One visit apart.

Drag the handle. Left is a room at the end of a fortnight, right is what it looks like when we hand it back.

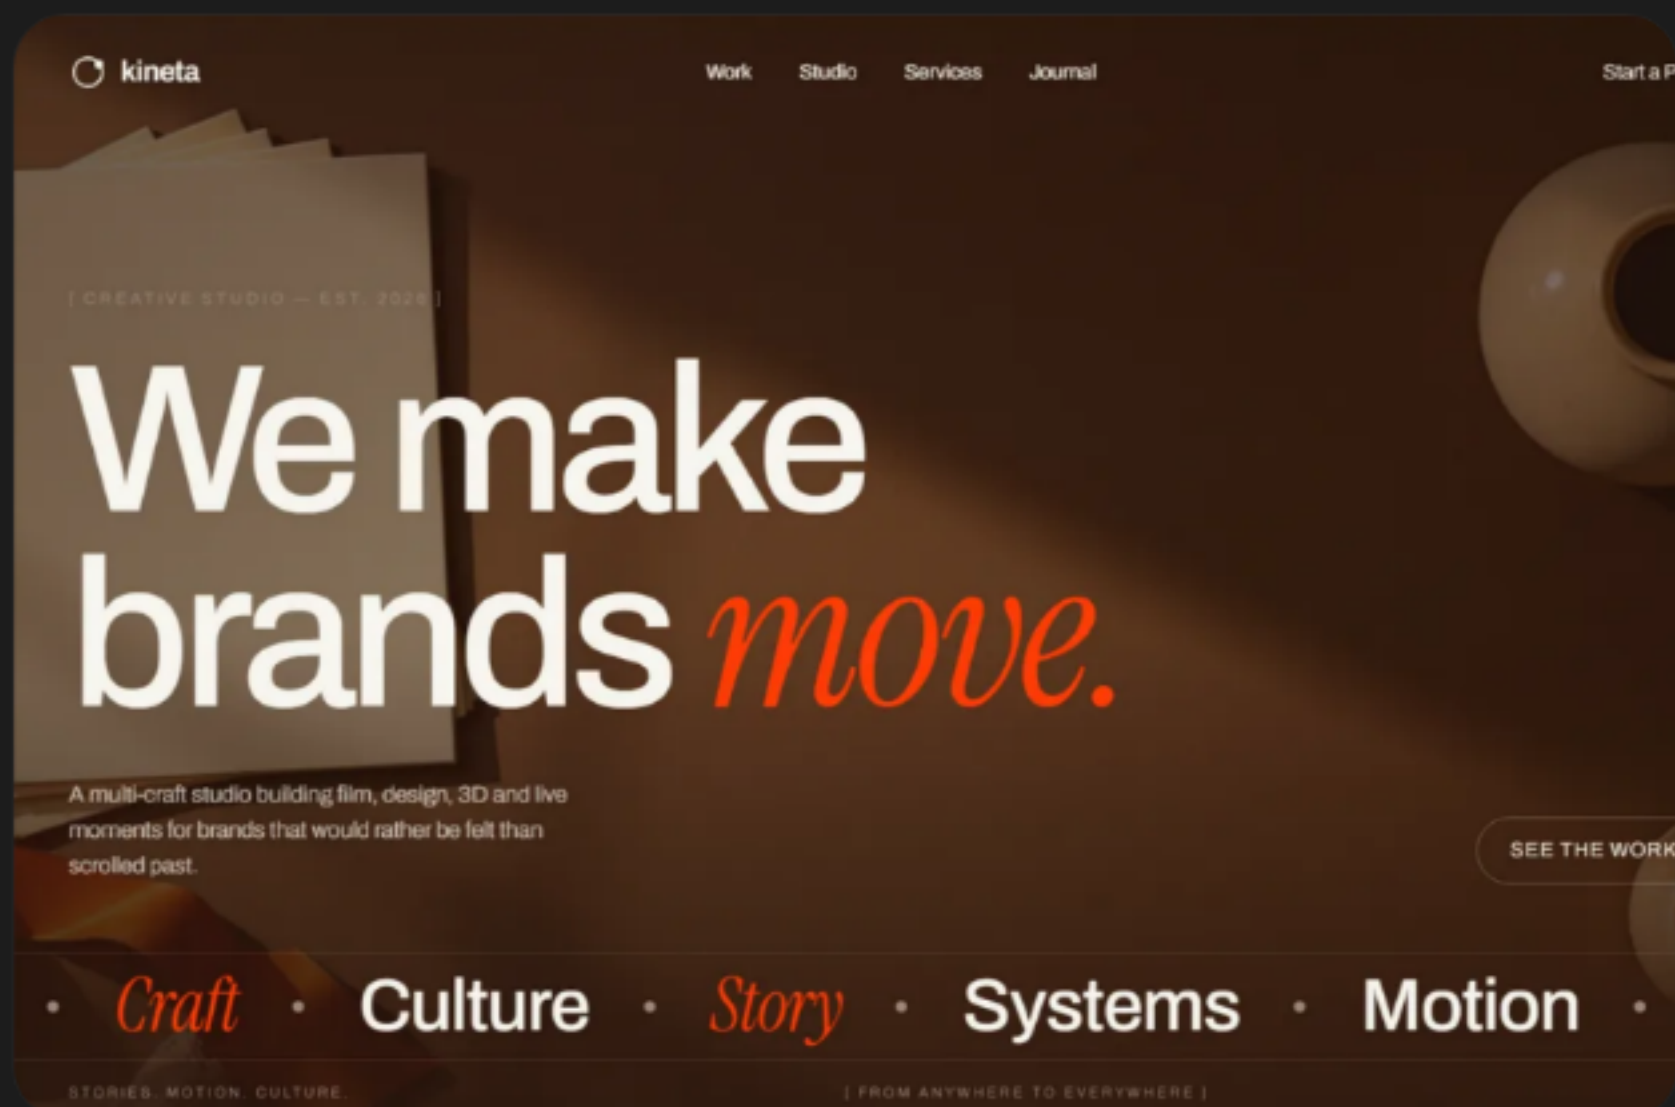

Tuesday: rate a homepage for a brand that does not exist.

RATE THIS HOMEPAGE

1/3

Rate this homepage, 1 to 10.
Score it before you swipe.

Wednesday: count your tabs.

COUNT YOUR TABS

1/3

One small change
on a client site.

wp-admin.
The page builder.
The hosting panel.
Analytics.
The client's email.
Slack.

Six tabs, and the change is still not live.

Thursday: the \$50 care plan problem.

HOT TAKE

1 / 4

Unpopular opinion about care plans.

A \$50 care plan that still eats manual hours is a margin sink.

Friday: 57 sites, one agency.

ONE AGENCY

1/3

57 client sites. Every industry. One agency.

WPOS.AI/CASES

57 sites. Every industry. One agency runs them all on WPOS.

Amplus Agency builds and operates WordPress for clients across the country. WPOS is how they run it at scale.

57 client sites 50,000 page store Founded 2011

Which one should we turn into a full video?

1. The two-plugin site

2. The invented brand

3. The tab count

4. The care plan math

5. 57 sites, one agency
